

IRO Announcement no 12/21/SMS/2021/2022
“Erasmus – Mobility for Studies (KA131/2021)”
Assigning OLS language test licenses
Erasmus studies 2021/22

The National Agency of the Erasmus+ Programme and the European Solidarity Corps has informed that students receiving the Erasmus grant from the KA131/2021 project would need to complete language assessment tests on the OLS platform if they had declared one of the following languages as the language of instruction:

English, Bulgarian, Croatian, Czech, Danish, Estonian, Finnish, French, Greek, Irish, Hungarian, Lithuanian, Latvian, Maltese, **Spanish**, Dutch, **German**, Portuguese, Romanian, Slovak, Slovenian, **Italian** or Swedish

As distinct from the previous project (KA103/2020) you will need to complete language assessment tests only before your mobility. The second test, after you complete your studies at the host university, is optional.

Please note! The access to the test will be assigned to your email address by IRO (you will receive a link from the OLS system in order to create your OLS profile)

Please note! If, while contacting the host university, you find out that most courses will be held in a language different from the one you declared, don't start the test and report the language change to erasmusbwz@uw.edu.pl. You will then be reassigned a language test in the correct language. After you start the test it will be too late to change the tested language.

If you start doing the test, please make sure you complete it and submit it within 10 days from the start; after this period the test will expire and it will be impossible to send you another test.

The information on what language of instruction you declared is visible in your USOSweb profile:

Dane szczegółowe

Program studiów: Zarządzanie, stacjonarne, drugiego stopnia	Rok studiów: 2
Rodzaj studiów: Drugiego stopnia	System studiów: Stacjonarne
Język wiodący wyjazdu: hiszpański	Poziom języka: B1

The link to the OLS test will be sent to your email address in **USOS** and will remain active until **03.01.2022**

1. If your assessment result is **A1**, **A2** or **B1** in English, French, Spanish, German, Portuguese, Italian or **A1**, **A2** in Czech, or **A1** in Croatian, Greek, Finnish, you will be automatically assigned a language course in the given language – participation in this course will be mandatory.

If you would like to participate in a language course voluntarily (your language of instruction) you need to **choose this option before completing the test** (please read all the instructions in the OLS system very carefully).

- You can also participate in a course of the **national language** of the country where you are going to study, ex. if you are going to study in Spain and your language of instruction is English, you can choose a course of Spanish, choose this option **before doing the test**, when this option is available in the system.

Levels of courses

Language	Language courses
English, French, Spanish, Dutch, German, Italian	Up to C1 level
Portuguese	Up to B2 level
Czech	Up to A2 level
Bulgarian, Croatian, Danish, Estonian, Finnish, Greek, Lithuanian, Latvian, Romanian, Slovak, Slovenian, Swedish, Hungarian	Up to A1 level

Please note! When creating your profile in OLS choose the start and end date of your study period at the host institution, so that the system 'knows' when to send you the test after your mobility. If you don't do it, you will receive a link to the second test immediately after you complete the first test.

Please note! Completing the first OLS test, among other documents, is necessary to receive the Erasmus grant. If you don't receive a link to the test by **08.10.2021** (please check your spam box) report it: erasmusbwz@uw.edu.pl.

If you have decided to resign from the mobility, do not start the test – please let us know about your decision (erasmusbwz@uw.edu.pl).
