		<p><b>3. Receive a Certificate of Admission and Business Registration certificate from CAU</b></p>
		<p><b>4. Use the documents that you received to obtain a D-2 visa</b></p>
<b>Acceptance and Visa Procedures</b>		<p><b>After being accepted by CAU, students are responsible for obtaining their own visas.</b> Students must contact and visit the Korean embassy or consulate in their home countries in order to apply for visa. Please keep in mind that students will need to prepare the necessary documents – visa application form, passport, etc. – for themselves beforehand.</p> <p>* For students from the following 26 countries, you may be requested by the consulate to prepare additional documents regarding your financial situation: Bangladesh, Cameroon, China, Egypt, Ethiopia, Ghana, Guinea, Kazakhstan, Kyrgyzstan, India, Indonesia, Iran, Mali, Mongolia, Myanmar, Nepal, Nigeria, Pakistan, Peru, Philippines, Sri Lanka, Thailand, Ukraine, Uganda, Uzbekistan, Vietnam</p>
<b>About Student Visa (D-2)</b>		<p>1. All students should arrive in Korea with a valid Student Visa (D-2). Students must obtain their Student Visa (D-2) at least one month before the semester begins. Without a proper Student Visa (D-2), students cannot study at CAU.</p> <p>2. Please do <b>not</b> use your Student Visa (D-2) to travel to Korea before the semester starts and go back to your home country (or to a third country), since the <b>Student Visa (D-2) is for single-entry</b>. If you want to come earlier and travel with your Student Visa (D-2), <b>you cannot leave Korea until you create your RC (Registration Card)</b>.</p> <p>3. You should come to CAU using a Student Visa, not a Tourist Visa. You cannot change the Tourist Visa to a Student Visa (D-2) in Korea.</p> <p>4. After arrival, students must create a RC (Registration Card). The RC is mandatory to all exchange students and it acts as a legal permit, which allows students to live in Korea for their entire study period, as well as exit and enter the country freely. Students wishing to leave the country after arrival must book their RC appointment at the Immigration Office <b>in advance of leaving the country</b> so that they can gain re-entry permission. CAU offers an option to apply the RC as a group so the students do not have to make an appointment and visit the Immigration. It takes about 4 – 6 weeks to receive the RC.</p> <p>5. <b>Students should leave Korea within 30 days of the semester-end date, regardless of the expiration date of RC.</b></p> <p>*The RC may be valid for 1 or 2 months after the semester ends, however, since the OIA terminates the Student Visa (D-2) on the last day of each semester, those students who are not proceeding to the second exchange semester SHOULD depart within 30 days from the last day of the semester.</p>
<b>Arrival Date</b>		<p>Arrival dates may be subject to change due to the COVID-19 and dorm policies. Students who arrive earlier than the official move-in date of the on-campus dormitory will need to arrange their own accommodations until they can move-in. We will inform you of the exact move-in dates after you are accepted, via notices and emails.</p>

	<p>study period at CAU.</p> <p>Since the fee is relatively high (approximately 70 USD per month), students can choose to obtain other private insurance plans in their home country before coming to Korea. However, this would mean they would be deliberately choosing to ignore Korea's national policy, and they will face the disadvantages mentioned above.</p> <p>For all inquiries, students should visit the NHIS website, or contact the NHIS Customer Service (1577-1000, dial 7 for informational in foreign languages) or NHIS Foreign Language Consultation (033-811-2000) after arriving in Korea.</p> <p><b>*All exchange/visiting students are responsible for National Health Insurance Service payment for themselves. The OIA will not financially support any student in case of accidents or injuries.</b></p>
