Program Outline

University of Tsukuba offers the Short-term Exchange Program. We accept students from our partner universities based on exchange agreements. Admission is granted upon mutual consultation between the two universities. Contact the international office at your home university to get help finding out if such an agreement with University of Tsukuba exists.

1) Student Status

There are **two types of status** for students from our overseas partner universities: Exchange Student (*Tokubetsu Chokogakusei*) and Exchange Research Student (*Tokubetsu Kenkyugakusei*). Since there are big differences between the two, please read the descriptions below carefully.

Exchange Student (Tokubetsu Chokogakusei)

Exchange Student (*Tokubetsu Chokogakusei*) is a status available for both undergraduate and graduate students from partner universities who wish to attend courses at the University of Tsukuba. Exchange Students can earn credits if they pass the required examinations and credit transfer is also possible depending on the grading system at their home university. Exchange Students are required to register at least 8 periods (600 minutes) courses per week. Due to immigration regulations, exchange period is limited to 1 year, including the exchange periods in other universities in Japan.

Exchange Research Student (Tokubetsu Kenkyugakusei)

Exchange Research Student (*Tokubetsu Kenkyugakusei*) is a status available only for graduate students from partner universities who wish to conduct research under the guidance of an academic advisor at University of Tsukuba. Exchange Research Students will focus on their research rather than to attend courses, therefore, they **cannot** earn credits. (However, it is possible for them to audit some courses with prior approval from course lecturers.)

IMPORTANT NOTES

For Graduate Students who are considering the Exchange Student (*Tokubetsu Chokogakusei*) status

To maintain student visa status as an "Exchange Student" at the University of Tsukuba, it is required for you to take at least 8 periods (600 min.) of classes per week. Since the Japanese language courses* for graduate students are offered only in AB module and are limited to 6 periods per week, students in Master's and Doctoral courses often have difficulty meeting the above condition. Please view the website of your desired program carefully and confirm the followings in advance:

- 1. The number of graduate level classes which you can take in your field of study
- 2. Semester and module of the desired classes

*Graduate students can attend Japanese language courses offered by the Center for Education of Global Communication (CEGLOC), which starts in April and October. The certificate of attendance can be issued upon request though you cannot earn credits for them.

2) Tuition Fees and Waivers

Applicants Under Exchange Agreements

Students who join the exchange program from partner universities that have a reciprocal tuition waiver agreement with the University of Tsukuba can be granted a tuition waiver. The number of students who can be nominated under the agreement varies depending on the partner university. For more information, please consult the international office at your home university.

Applicants Outside of Exchange Agreements

Students who join the exchange program from universities outside of the exchange agreement must pay tuition fees to the University of Tsukuba at the beginning of their exchange period. The tuition fee for Exchange Students is calculated on a per-credit basis and is currently set at **14,800 yen per credit**. The tuition fee for Exchange Research Students is calculated on a monthly basis and is currently set at **29,700 yen per month**. The student must pay for the entire month in which he/she is enrolled.

Please note: Applicants from non-partner universities are required to make advance contact with an academic advisor in University of Tsukuba. Application will not be accepted without finding an academic advisor. Researcher Information: TRIOS

Summary: The following table compares the two student status types, Exchange Student and Exchange Research Student.

3) Affiliation and Academic Advisor

A faculty member will be appointed to each exchange student as their academic advisor. These advisors will work closely with the students and provide necessary information, academic assistance, and other supports. Students' affiliation at the University of Tsukuba will be the same as their advisors'.

Your affiliation and academic advisor at University of Tsukuba will be determined by referring to your request in the application form. We will try to meet your request, but please understand that there is a possibility that it may not turn out as you wish.

1 Note for Applicants for Exchange Student (Tokubetsu Chokogakusei)

If you wish to join the **College of Japanese Language and Culture**, JLPT (Japanese Language Proficiency Test) N1 or N2 is required.

If you wish to join the **Master's Program in Service Engineering**, JLPT (Japanese Language Proficiency Test) N1 is required.

Note for Graduate Applicants

If your research topic does not match with any of our professors', there will be a possibility that we might not be able to accept your application.

4) JASSO Scholarship

The Japan Student Services Organization (JASSO) offers scholarships to international students through the "JASSO Student Exchange Support Program (Scholarship for Short-term Study in Japan)."

If you wish to apply for this scholarship program, please read the following information carefully and provide the necessary information through our online application form.

IMPORTANT NOTES

JASSO Scholarship is highly competitive for applicants. Only a handful applicants will be able to get the opportunity.

Plan your living without relying on receiving JASSO scholarship.

Eligibility

Only students satisfying all of the following conditions can apply for JASSO scholarship:

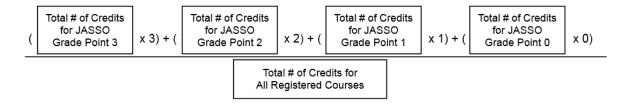

- 1. Students receiving no more than 80,000 JPY in total from other scholarships for studying in Japan.
- 2. Students who will complete their studies at their home university after the termination of study period in University of Tsukuba.
- 3. Students demonstrating excellent academic and personal records at their home university. Specifically, students having a minimum of 2.30 GPA, which is calculated with the JASSO scale based on an academic transcript from the previous year. (See the next page.)

■ How to Calculate your GPA on the JASSO Scale

To apply for the JASSO scholarship, information of your grade point average (GPA) at home university is required. Since each university may use different grading scales, JASSO has following table to convert the applicants' grades in Jasso's scale. Please check your academic transcript of the previous year, calculate the total number of credits for each JASSO grade points (0-3), and enter it in the online application form. Your GPA will be calculated automatically. GPA is one of the criteria for JASSO's screening process and please note that it is not guaranteed that you will be accepted for receiving the scholarship even if your GPA is high.

Examples of grading scales used by universities	Grades				
Example 1: 4-point scale	-	Excellent	Good	Fair	Poor
Example 2: 4-point scale	-	A	В	С	F
Example 3: 4-point scale	-	100-80	79-70	69-60	59 or below
Example 4: 5-point scale	100-90	89-80	79-70	69-60	59 or below
Example 5: 5-point scale	S	A	В	С	F
Example 6: 5-point scale	A	В	С	D	F
Grade Points on JASSO scale	3	3	2	1	0

- Calculation Formula

Example:

If your institution uses a typical North American grading system (A, B, C, D, and F) or a system comparable to it, you may use the 5-level scale.

Other Important Information

■ Visa

Students who have been accepted must obtain a "Student" visa* to enter Japan as a short-term exchange student. To get the "Student" visa, you need to visit the Japanese Embassy/Consulate-General in your home country and submit a "Certificate of Eligibility (CoE)" issued by the Immigration Service Agency of Japan.

We can process your CoE application only after you have been accepted in the University of Tsukuba and after we check all of your documents. We cannot answer any questions about status of the CoE being issued.

Medical Certificate and Vaccinations

It is student's responsibility to prepare and bring medical certificates or any other important information related to your health in English. Seeing a doctor can be difficult without a medical certificate, especially if you have a severe or chronic illness. We also strongly recommend that you get vaccinated for tuberculosis, whooping cough, tetanus,

^{*}Students who have Japanese nationality do not need Visa to enter Japan.

measles, rubella, and diphtheria before you enter Japan, if you have not been vaccinated yet.

Housing

The University of Tsukuba offers on-campus housing (Single-Type only) * to accepted students.

We will ask you to fill the form for room preference when the time comes. Until then, please refer to the information about the residence hall on our website (https://www.tsukuba.ac.jp/en/campuslife/support-healthlife/accommodation/). Please note that you will need to pay the first month rent and deposit of 30,000 yen when you move in. *Only exchange students are allowed to move in.

Arrival Date

Designated arrival dates will be informed when they are decided. Please DO NOT arrive too early before the dates. You will not be able to stay in the Student Residence Hall before the dates.

The most important thing is that your Visa will be issued as "STUDENT" status, which means that it will be issued to study at University of Tsukuba and not for anything else. Coming to Japan too early is not explainable in terms of immigration control.

Orientations

Upon arrival at the University, you are required to attend orientations regarding foreign resident registration at the city hall, course registration procedures, student health insurance, life in Tsukuba, and other useful matters.

■ Japanese Language

To make your academic and daily life fulfilling, we recommend you take the Japanese language courses offered by CEGLOC (Center for Education of Global Communication).

Counseling Services

Counseling services are available at the Student Support Center. International students who have any problems with academic matters, human relations, finances, and other everyday matters are welcome to seek guidance from experienced advisors.

■ Japanese National Health Insurance Plan

All international students must enroll in the Japanese National Health Insurance plan. The premiums are about 20,000 yen for one year. This plan will cover 70 percent of incurred medical costs.

Personal Accident Insurance for Students Pursuing Education and Research Activities

We require all international students to enroll in this insurance so that they can engage in educational research, as well as extracurricular activities. This insurance covers accidents that may occur during on-campus (excluding dormitory) activities and off-campus extracurricular activities that are registered in the university.
