TUESDAY, 20 JUNE | 09:00-17:30

09:00-10:00	Registration for on-site participants & welcome coffee
10:00-10:30	Welcome address
10:30-11:30	Introduction <ul style="list-style-type: none">University of Warsaw: educational offer for Ukrainian students4EU+ educational offer for Ukrainian partners
11:30-12:00	Coffee break
12:00-14:00	Session #1 Forum of good practices: skills and competencies in 4EU+ <i>What has the European Higher Education Area experienced in recent years? How does this affect the way universities support skills development? In this session, we'll provide a context for skills agenda and show which tools and strategies we have developed in the 4EU+ Alliance to integrate skills and competencies in our daily work. The aim is to open the dialogue and share our experiences and good practices.</i>

1/3

14:00-15:00

Lunch break

15:00-17:00

Session #2 | How 4EU+ Alliance Universities Empower Teachers in Digital Teaching & Learning Session

The session aims to showcase universities' diverse approaches and practices to support teachers in digital teaching and learning. Through a series of presentations, participants will gain insights into various strategies, resources, and initiatives that contribute to advancing digital education. Speakers from various HEIs will share their expertise and experiences in assisting teachers in adapting to digital environments. The session will cover instructional design, online pedagogy, technology integration, and professional development opportunities.

17:00-17:30

Conclusions & discussion

18:00

Formal dinner

WEDNESDAY, 21 JUNE | 09:00-14:00

09:00-11:00

Session #3 | Joint study programmes within the European Higher Education Area

During this session, the participants will be introduced to the structure and definition, management and implementation, funding opportunities, accreditation and quality assurance of joint study programmes in EHEA. Session facilitators will offer their experience and outlook on how the European framework and policies address both the theory as well as practice of operating transnational joint study programmes from the HEI perspective.

The session will be divided into four thematic blocks:

- 1. Covering the basics: Introduction to the joint study programmes*
- 2. Moving forward: European Degree Label project*
- 3. Funding opportunities: Erasmus Mundus Design Measures and Erasmus Mundus Joint Masters*

11:00-11:30

4. Delivering the best offer: The European Approach for Quality Assurance of Joint Programmes

Coffee break

11:30-14:00

Session #4 | Workshop: Introduction to the 4EU+ Quality

Management System chaired by Swantje Schirmer, 4EU+ quality referee, and the 4EU+ QMS group

The session seeks to provide participants with a broad overview on quality management on an alliance-level, its implementation on the university-level and aims to incite initial reflections on potential synergies between quality management and higher education didactics, teaching and learning. To do so, participants will receive an introduction to 4EU+QUALITY, the quality management system of 4EU+, its normative foundations and concrete procedures, that is initial certification, internal auditing and external reviewing. This overview will be deepened by two university-perspective from the alliance on the implementation of this system into their existing local quality management systems. Departing from a best-practice example for a cooperative approach on quality management and didactics, participants will then be guided to reflect on potential for synergies at their own home universities.
